STRONG, SMART & BOLD OUTCOMES SURVEY CONSENT FORM
Youth, ages 9-12

As part of a larger initiative, Girls Inc. of YWCA of Syracuse & Onondaga Co. Inc., is taking part in the Strong, Smart & Bold Outcomes Survey. The survey will take place in Girls Inc. organizations across the United States and Canada, and asks girls questions about topics such as nutrition and physical activity, school engagement and grades, leadership and relationship skills, risky behaviors like alcohol, tobacco, and drug use, and her experience at Girls Inc.

The survey takes 20-30 minutes to complete.

The survey has been designed to be taken on-line, and will cause little or no risk to your daughter. The only potential risk is that some girls may find certain questions sensitive, like questions about cigarettes, alcohol or drugs. Girls will not put their names on the survey, and no one at Girls Inc. of YWCA of Syracuse & Onondaga Co. Inc. will see girls’ individual answers. A code will be used instead of girls’ names. Your daughter’s survey answers will be added to those from other girls’ surveys so that we can better understand what Girls Inc. is like for her and for other girls across the U.S. and Canada. Further, no individual girl or organization will ever be named by name in a report of the results. All information from the survey is being used to assess the wellbeing of Girls Inc. members and will be kept completely confidential. Girls Inc. and its evaluators, the Department of Health and Human Services, and Advarra IRB may have access to the survey data, but never in a way that can identify your daughter.

Your daughter will get no direct benefit right away from taking part in the survey. The results of the survey will help your daughter and other Girls Inc. girls in the future by assisting the national Girls Inc. organization to develop programming and activities that best meet girls’ needs.

We would like all selected girls to take part in the survey, but the survey is completely voluntary, and no one is required to participate. Girls may answer some, none, or all of the questions. Girls may also stop taking the survey at any point. There will be no loss of benefits to you or your daughter if you/she decide not to take part or to stop taking the survey.

Your daughter will not be paid for taking part in the survey, and there is no cost to you.

For more information, you may contact Heather Whalen at 315-424-0040

If you would like to see the survey, a review copy is available at __________________________

Please complete the section below and return it by 10/8/2018

If you have additional questions or concerns about the survey, please contact Dr. Cristin Rollins, National Director of Research & Evaluation at Girls Inc., at crollins@girlsinc.org or [317] 634-7546 X130.

This study has been reviewed by an Institutional Review Board (IRB) to help ensure that your or your daughter’s rights and welfare are protected and that this study is carried out in an ethical manner.
